

***We are pleased to invite you to participate in the
2018 Member/Guest Tournament
August 9th, 10th, & 11th***

We've have decided to return to the traditional Thursday practice round followed by playing (3) 9-hole matches on Friday and (2) final matches Saturday (with the shootout to follow once all teams finish). Last year's experiment did not expand participation as hoped and the committee is aware of several teams which could not participate in the three day format.

The format will remain as it has been in the past: your team will play (5) individual better ball matches against all other teams in the flight. The winning team will receive one point for each hole that is won outright, or 1/2 point of the hole is tied (a total of 9 points is available for each match). Players will receive shots as they fall on the card - taken off the low handicap player in the group. All handicaps will be verified.

All players will play the green tees – however, if the sum of your age & handicap from the green tees total 80 or more, you may elect to play from the gold tees. NOTES for playing gold tees: handicaps will be adjusted accordingly, and players must indicate they intend to play gold tees on the entry form (changes will not be made afterwards). The second adjustment made (the first being the straight index) in matches where Gold tees are utilized will be adding 2 strokes to the players playing Green tees. The match cards will be correctly “dotted” accounting for the stroke allocations from both tees. Players lacking indexes will be assigned the lower range of the index for their allotted course handicap. Flights are going to be grouped top to bottom using combined team handicap index in groups of 6.

SCHEDULE OF EVENTS:

Thursday:

- We will have a practice round to all participants – teams can play any time Thursday.
