Format:

We will continue the tradition of playing 5 9-hole matches against the other teams in your flight. Each match is worth 9 points with the winner of the best ball format on each hole receiving a point and if the hole is tied each team will receive ½ point. Players handicap strokes will be taken off of the low handicap within the group. All handicaps will be verified and we will be using the USGA recommended format of taking 90% of each players handicap.

All players will play from the green tees – however, if the sum of your age and handicap from the green tees total 80 or more, you may elect to play the gold tees. If you qualify and choose to play the gold tees, your gold tee handicap will be deducted by two shots to comply with the USGA section 3-5. You must indicate on the entry form that you intend to play the Gold Tees. Flights will be grouped from top to bottom using combined handicap indexes in groups of 6.

Important information:

- All players will receive a commemorative tee gift for participating. Please mark shirt size on entry form.
- Driving range will be available at no charge to participants for the three days prior to start of play.
- Teams with the highest point total in each flight will be declared the flight winner. The flight winners will then participate in the shootout following completion of match #5. Ties will be broken first by the points awarded in the head to head match and second by a chip off.
- All skins are gross and are recorded for Friday and Saturday rounds only.
- Entries will be taken in increments of 6 for flighting purposes. Please sign up early!!! (Deadline for entry is Friday, August 2nd)
- Full club privileges (including beach) are extended to all guests and their families from Thursday through Sunday.
- A temporary member charge system will be available to those who would like to participate to charge food/beverage purchases.
